

## **Guild Banner Block Rules**

Ok, Ladies & Gentlemen, I hope you have all seen the Chicago Modern Quilt Guild Show banner that was posted on our facebook page. As chairperson of our next quilt show, I want to have a banner for our show to hang in the South Padre Island Convention Center. This banner can then be used every year to represent our guild.

Members of the Rio Grande Valley Quilt Guild can submit blocks to be sewn into a banner. These blocks should be 6 1/2" unfinished (6" finished). The blocks can be traditional, modern or appliquéd, something for everyone - pick your favorite method! Background color should be white. Other colors should be beachy or tropical colors (tan, aqua, peach, yellow, fuchsia, etc. - no harsh colors please!). The blocks will be due no later than the December 12, 2015 guild meeting.
